Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate, the advice or services we provide you may not be appropriate for you.

Separately managed accounts (SMA)

A separately managed account (SMA) is an account where a responsible entity, based on advice from a professional investment manager, can make investment decisions on a client's portfolio and transact on those decisions without requiring the client's express consent each time. This means the responsible entity is responsible for the discretionary management of the client's investment portfolio.

We distribute the True North Lifestyle Managed Portfolios (Enhanced Income, Income 60, Income 80, Accumulate 75, Accumulate 95, Australian Equity Income and Australian Equity Core), which is/are administered by the North Platform.

We are not the investment manager and have no relationship or association with the investment manager.

The responsible entity appoints a professional investment manager to advise on the SMA portfolio's management. The responsible entity makes all investment decisions relating to the SMA portfolios.

For more information about how the product works and the roles and responsibilities of the key parties, please refer to the True North Managed Portfolios PDS which we provide to you if we recommend the SMA product to you.

Fees

Other than the fees disclosed under 'Our Fees' above, we do not receive any other remuneration in relation to True North Managed Portfolios.

Note

If you are no longer our client, the responsible entity may have the discretion to move your investments out of the True North Managed Portfolios.

Credit services

In addition to financial services, we are also authorised to assist you with advising and implementing loan products and consumer leases.

Credit documents you may receive

When we provide credit assistance, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Credit Proposal. We will retain this document and you may request it by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

Lenders and lessors

The Licensee has a broad panel of lenders and lessors for your Accredited Mortgage Consultant (AMC) to choose from. The full list of approved lenders is available on request but is not an exhaustive list of lenders who offer credit of the nature you may seek.

As at March 2025, the lenders whose products are most commonly recommended by AMCs authorised by the Licensee are AFG Home Loans, NAB, Macquarie Bank, Westpac, St George Bank, ANZ.

Benefits we may receive from lenders and lessors

Subject to compliance with relevant laws, including relating to conflicted remuneration, lenders may offer incentives that are paid directly to the AMC. These may include indirect benefits, for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

Credit reports and valuations

We may be provided access to free services such as credit reports and valuations from our lenders. Details of any relevant services we may receive because of a recommendation we make to you, will be included in the Credit Proposal we provide to you.

Tiered Servicing Arrangements

Through your AMC's relationships with lenders, they may have access to tiered servicing arrangements. The benefits can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. You will be advised of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to these programs is not based solely on the volume of new or existing lending your AMC's customers have with each respective lender and does not entitle them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

Mortgage aggregators

Mortgage aggregators act as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders. They also provide some ancillary services. We aggregate via AFG.

The aggregator may invite AMCs to conferences and professional development events to hear industry updates and educational presentations by the aggregator and lender sponsors. The aggregator may subsidise some attendance costs, subject to compliance with relevant laws. The value will depend upon a range of factors, including the nature of the courses and events planned.

Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act 2009 (Cth), will be disclosed in our advice to you prior to application.

Privacy Collection Statement

We are committed to protecting your privacy and outline below how we maintain the privacy of the information we collect about you.

As part of the advice journey, we need to collect information about you. Where possible we will obtain that information directly from you, but if authorised by you we may also obtain it from other sources such as your employer or accountant. If that information is incomplete or inaccurate, this could affect our ability to analyse your needs, objectives and financial situation, so our recommendations may not be appropriate or suitable for you.

We are also required to implement client identification processes under the Anti-Money-Laundering and Counter-Terrorism Financing Act (AML/CTF) 2006. We will need you to present identification documents such as passports and driver's licenses to meet our obligations.

About Akumin Pty Limited & Entireti Limited

The Licensee is a wholly-owned subsidiary of Akumin Pty Limited.

Akumin Pty Limited is a subsidiary of Entireti Limited, a group that specialises in licensing and advice business services to financial planning practices and their clients.

AMP Limited holds a minority stake (currently 30%) in Akumin Pty Limited.

We can provide advice on products and services from a wide range of financial product and service providers, some of which are related or associated with the Licensee.

If we recommend a product issued by Akumin Financial Planning Limited or a third-party product issuer, they will benefit from our recommendation by receiving product, administration and investment fees, as well as fees paid by fund managers to distribute their product. These fees are all disclosed in the relevant PDS or IDPS guide.

Salita Portfolio Services Pty Ltd, a wholly owned subsidiary of Entireti Limited, provides portfolio construction and investment services to third party product issuers and receives fees for those services.

Entireti Lending Solutions Pty Ltd, a wholly owned subsidiary of Entireti Limited, provides credit services to their clients and receives remuneration, including commissions, fees and other benefits for those services.

The Licensee maintains an APSL, from a diversified selection of approved Australian and International fund providers, including companies related to the Licensee. These have been researched by external research houses as well as our in-house research team. The Licensee regularly reviews products and services to ensure they remain competitive with similar products that address similar client needs and objectives. Generally, we recommend products on the APSL. However, if appropriate for your needs, we may, subject to the Licensee's approval, recommend other products.

Authorised Representatives and/or staff employed in our business may hold shares in AMP Limited, whose share price may be favourably affected by the sale of products issued by AMP Group companies.

Our fees

We will discuss and agree the actual fees with you before we proceed and where relevant the fees and commissions will be disclosed in the advice document provided to you. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of a set dollar amount, or a percentage-based fee. Our agreed advice and service fees may include charges for one off or regular fees. We may also receive initial or ongoing commissions from certain product providers.

Licensee fees

Unless stated otherwise, all permissible revenue, including any advice and service fees and commissions will be paid to the Licensee. It will then pass on the amounts due to us through its payment system. The Licensee charges us a Licensee Fee each year. The Licensee Fee is determined as an annual amount based on a number of factors, including our business revenue, the number of advisers and/or accredited mortgage consultants in the practice and a practice fee.

Note that some asset finance providers may pay commissions directly to us rather than through the licensee.

Other costs

Other costs may apply in the process of providing our advice and services to you. We will agree all additional costs with you prior to incurring them.

The following table outlines the range of fee we charge and should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice. All fees and charges include GST.

If we agree to charge a fee for credit services, we will provide you with a quote and gain your acceptance before we proceed. Where we do not provide you a quote, there will be no charge directly to you for these activities and we will receive commissions from the lender only.
